APRIL 2024 / ISSUE: 2024:04

Here we are at the end of another month and also the end of term! Just a reminder that this Friday is the end of term 1, and we reopen ready for more fun on May 13th for term 2.

This month we had a great community outing to Zealandia. After having to postpone the first week due to bad weather, we had a nice sunny day and made our way out to Karori to check it out. There was lots to see, and we enjoyed taking a stroll through the scenic surroundings and hearing the wonderful sounds of nature.
